

What it does

Offices

Convenient for boss to check working status in office at anytime, be more efficient.

Baby&Pets

Monitor & communicate with the little babies or monitor pets whilst away from home or on holiday

Shops

You can just stay at home and check the stores' sales situation and working status of shops at any time.

Elder

Monitor & communicate with elderly or vulnerable relatives

Security

To take small security guards to home, no matter where you are, you can check the status of the family, to ensure the safety of home.

How it works
